Educational Equity Consultants Training Evaluation and Feedback August - September 2019

It is important to our team to be able to release information about the initial equity training experiences with Educational Equity Consultants. Throughout the month of August and September, four cohorts of teams embarked upon the first layers of professional development with Educational Equity Consultants.

The four teams were:

- Board of Education Cohort
- Superintendent's Leadership Team Cohort
- School and District Leaders - Cohort One
- School and District Leaders - Cohort Two

After each learning session, members of the teams provided evaluation feedback. The evaluations consisted of likert scale ratings from "strongly disagree" to "strongly agree." The feedback was compiled by Educational Equity Consultants and is provided below.
