It is important to our team to be able to release information about the equity training experiences with Educational Equity Consultants.

In the months of November 2019-January 2020, five cohorts of teams participated in professional development with Educational Equity Consultants.

The five teams are:
- Board of Education Cohort
- Superintendent’s Leadership Team Cohort
- School and District Leaders - Cohort One
- School and District Leaders - Cohort Two
- Teachers participating in Just Schools sessions—Cohort 1

After each learning session, members of the teams provided evaluation feedback. The evaluations consisted of likert scale ratings from “strongly disagree” to “strongly agree.” The feedback was compiled by Educational Equity Consultants and is provided below by date/group.
